Report of Principal and School Improvement Council

TSMHS continues to work toward the development of our students in the area of academics, citizenship, and service to the community and school. We focus not only on student graduation but also toward the development of self-confident learners who will be successful beyond their high school years.

With one key to success being graduation, TSMHS achieved an 82.4% graduation rate which is the highest in six years and the second highest in the School District of Oconee County. Students are encouraged throughout high school to be part of the extracurricular program and a career exploratory program focused on careers in health science, mechatronics, and engineering as well as many others. Faculty members work to provide engaging classrooms where technology is utilized to prepare students to become thinkers and innovators prepared for college, technical school, military or a vocational career beyond high school. Student work is constantly reviewed to identify those needing to participate in an academic program for assistance utilizing APEX online courses. Students have the opportunity to participate in an accelerated program through the SC Virtual School Program. Our Service Learning Students along with athletes and coaches have participated in service projects at a local children's home and other venues to give back while learning about servant leadership.

The SIC, faculty and staff of TSMHS extend a thank you to all who volunteer and give selflessly to work with students and athletic teams as well as our parents and students for their diligent work in representing TSMHS.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Tamassee-Salem Middle & High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
